Tic Tac To AI: Classic Gameplay

Key Features

- Interactive one-player vs AI gameplay.
- AI employs strategic moves to challenge the player.
- User-friendly interface designed for learning and entertainment.

How to Play Tic Tac Toe

- Objective: Be the first player to get three of your marks (X or O) in a row — horizontally, vertically, or diagonally.
- Players alternate turns
- Win by forming a straight line of three marks.
- The line can be horizontal, vertical, or diagonal.
- The game ends when one player wins or when all squares are filled with no winner (resulting in a tie).
